R LANGUAGE CERTIFICATION

ABOUT US

NetTech India Training Institute offers a high-quality learning experience in the field of IT training to train students on brand new technologies and train them to deliver the desired results with commercially relevant and re-organized technical skills.

The probability of achieving your dream job will keep on increasing day by day once you complete a course in NetTech India. We also focus on improving soft skills in terms of communication, leadership, teamwork, external appearance, and attitude which helps everyone to be professional in all the aspects of their career. NetTech India team consists of highly qualified experts whom you can trust.

ABOUT R LANGUAGE CERTIFICATION

In this R programming course, the candidate will learn about the language R and its practical applications. This R language training course is designed to make the students aware about various topics like- the installation of R language and configuration of the necessary software for statistical programming environment and other language concepts. It will provide a deep highlight on different topics like statistical programming, reading data into E, writing R functions, de-bugging, and organizing R codes.

BENEFITS OF R LANGUAGE CERTIFICATION

- ➔ Career Growth - Higher Pay & Position
- ➔ Encourages professional development
- ➔ Enriches self-image and reputation
- ➔ Enhances professional credibility.
- ➔ Abundant Job Opportunities
- ➔ Used In Many Industries
- ➔ Global Recognition
- ➔ Secure and Flexible
- ➔ 50+ Case Studies
- ➔ 10+ Projects

TABLE OF CONTENTS

1 Introduction to R-Language

- History of R-language
- Why learn R-language
- Importance of R-language
- Installation and setup Environment

2 Basics of R-language

- Arithmetic in R
- Variables
- Vector Basics
- Vector Operations
- Vector Indexing and Slicing
- Practical exercise

3 Matrix operations

- Introduction to R Matrices
- Creating a Matrix
- Matrix Arithmetic

- Matrix Selection and Indexing
- Factor and Categorical Matrices
- Practical Exercise

4 Data Frames

- Data Frame Basics
- Data Frame Indexing and Selection
- Operations on Data Frame
- List Basics operations
- Practical Exercise

5 Data input & output

- CSV Files with R
- Excel Files with R
- SQL with R

6 Getting start with R Programming

- Operators
- Conditional Statements
- Loops & Functions

- Built-in R Features & Apply
- Dates and Timestamps
- Package Building

7 Data Visualization

- Understanding & Working with Graph Libraries.
- Overview of ggplot2
- Histograms
- Scatterplots
- Bar Plot
- Boxplots
- 2 Variable Plotting
- Coordinates and Faceting
- Visualizations based case study

8 Data Manipulation

- Introduction of Data Manipulation
- Data Manipulation Using Dplyr
- Pipe Operator
- R with Tidyr

9 Machine Learning with R-language

- Introduction to Machine Learning
- Data Munging in R
- Cyclical vs Seasonal Analysis
- Introduction to Regression and Classification algorithm
- Linear Regression with R
- Logistic Regression with R
- K Nearest Neighbors

10 Decision Trees and Random Forests with R

- Example of Decision Tree with R- programming
- Explanation and introduction Random Forests in R-language

11 Clustering

- What is clusters
- Type of clusters
- K Means Clustering with R

12 Additional Concepts

- Natural Language Processing
- Neural Net

13 Real-world based project

And Many More...

WHO CAN LEARN ?

- Anyone who wants to build a career as a Data Scientist.
- Anyone who wish to gain knowledge about Programming
- Students who are currently in college or university

CAREER OPPORTUNITIES

- Quantitative Analysis with R
- Data Visualization Analyst
- Database Administrator
- Data Analyst
- Data Architect
- Geo Statisticians
- Data Scientist
- R programmer

And Many More...

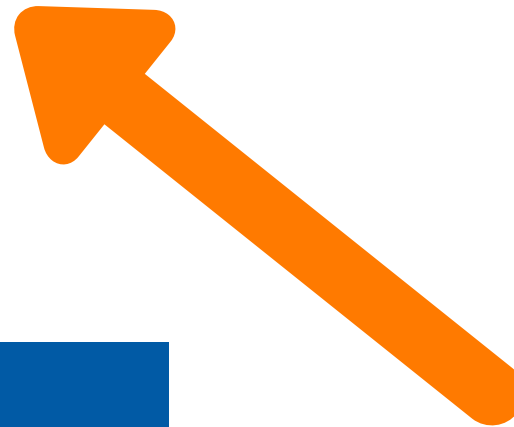

PROCESS FOR **SUCCESS**

GET PLACED

GET TRAINED

ENROLL

FACILITIES OFFERED

- ➔ Practical Training on Live Projects
- ➔ 100% Placement Guarantee
- ➔ Interview Preparation
- ➔ Global Certification
- ➔ Fully functional labs
- ➔ Online / Offline Training
- ➔ Expert level industry recognized training
